

Serial No.: 09/358,280

82 --16. The cooling system of claim 11, wherein said means for pressurizing comprises

a manual piston type pump.--

--17. The misting apparatus of claim 11, wherein the container contains ice and

water.--

---

REMARKS

In light of the foregoing amendments, favorable consideration of the application is respectfully requested.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
